# THE Q SHEET

1. Where is this tall building and which world leader do you associate with it?

2. How many Dr. Who actors can you name?

3. Described as the capital of the Cotswolds, England.

Is this

- (a) Cheltenham
- (b) Cirencester
- (c) Morton-in-the-marsh
- or (d) Tetbury?

4. Following the lack of real progress at last year's Copenhagen Climate Change Talks, where this year, 2010, is it vital for there to be better progress this time?

5. How would you describe this picture in relation to our world leaders' actions on climate change:

- (a) Sorry I'm searching for terrorists!
- (b) Head in the sand!
- (c) Jules Verne can you hear me, your tea's ready!
- (d) I need to be as popular as a Chilean miner!
- (e) Your own caption

6. Many of my family will die with runaway climate change, but you still have time to save me by acting fast.

Am I African or Indian?

We hope you enjoyed the quiz.. Act fast on Climate change. Its still a Climate Emergency even with a world economic crisis! Go to [www.campaigncc.org](http://www.campaigncc.org) and join up now before it's too late!
