

Let it snow
Let it snow
Let it snow

www.saveourplanetday.co.uk

Help save our world.

All it takes is to consider the energy and resources that we use every day and put pressure on our Government to act effectively on climate change.

Help start to efficiently care for our world.

Dont let these magnificent creatures die.

Its time to act.

Support 'Save our planet' day, this year on Friday 8th August 2008 (easy to remember! 8—8—08)

Further information as to how you can help, can be found on the website: www.saveourplanetday.co.uk

Or contact Jonathan Whittaker on 07970710537 or write to 'Save our planet' day events at 49, Dyer St., Cirencester, Glos. GL7 2PP
